## Profile

3rd-year undergraduate at **Sri Lanka Institute of Information Technology (SLIIT)**, specializing in Information Technology. Former student of **S. Thomas' College(Thomian)**, with a strong foundation in leadership, teamwork, and extracurricular involvement. Passionate Full-Stack Developer with hands-on experience in building efficient, user-friendly applications. Skilled in both frontend and backend development, with a keen interest in solving real-world problems, adapting to new challenges, and continuously learning modern technologies.

## Projects

### Evercare – Elder Home Care System

*React.js, Node.js, Express.js, MongoDB, JWT, Postman, HTML, CSS, JavaScript, Java, Apache Server*

- Developed a secure **event and user management system** for elderly care homes.
- Integrated **authentication & authorization** with JWT.
- Tested backend APIs with Postman to ensure performance and reliability.

### Crystal Planners – Online Event Planning System

*Java, Apache Tomcat, HTML, CSS, JavaScript*

- Built an **event planning and booking system** with CRUD operations.
- Designed a responsive and user-friendly interface for seamless event management.

### CANAK University – Online Helpdesk System

*PHP, HTML, CSS, JavaScript*

- Developed a **student helpdesk system** to streamline issue reporting and resolution.
- Created an intuitive UI and backend functions to enhance communication between students and administrators.

### Blood Donor Companion App – Android Application

*Kotlin, MVVM, Jetpack Compose, Room, Coroutines, LiveData, ViewModel, Material Design*

- Developed an Android app for blood donors to track their donation history and schedule future donations based on donation type.
- Designed an intuitive UI, implemented donation management, and built a responsive backend to handle user profiles and real-time updates.

## Education

**Sri Lanka Institute of Information Technology (SLIIT), Malabe**

B.Sc. (Hons) in Information Technology – Specializing in Information Technology  
*3rd Year Undergraduate (2023 – Present)*

**S. Thomas' College, Bandarawela**

GCE Advanced Level in Technology Stream (2018 – 2022)

## Extracurricular Activities

- **Football (Soccer)** – Captain, S. Thomas' College Football Team
- **Basketball** – Team Member, S. Thomas' College
- **Athletics** – Competed in Running, Long Jump, High Jump, Triple Jump, Relay, and Cross Country
- **Interact Club** – Active Member, S. Thomas' College
- **Scouts** – Member, S. Thomas' College

## Reference

**Sandani Samarasekara**

Instructor – SLIIT (BSc Hons in IT, Specialized in Software Engineering)
